Account

Company name: Open Source Collective
Account number: 4869374308
Routing number: 123205054

Process

Go to the project's page on Open Collective and make a contribution. Select 'bank transfer' as the payment type. You will be issued a unique order ID to include with your payment. Once the funds arrive, we will confirm the transaction and you will be issued a receipt.

If you have not set up a pending contribution, remember to include the name of the project as a reference, or we won't know which of our many hosted projects the payment is for.
